I wish to help POUR QU'ILS VIVENT provide the children in its nutritional centers in Bogotá (Colombia) and Lima (Peru) with meals and education.

- I elect a long-term commitment and choose to wire a monthly contribution of

to the association's bank account:

CCP La SOURCE 35 506 40G (IBAN below)

- I elect a different payment schedule and will send money at different times, but I set my schedule so that a yearly budget can be established
- I prefer to wire money to the association's bank account once a year or occasionally.

The treasurer of POUR QU'ILS VIVENT will send me an official yearly receipt acknowledging my contributions to the association during the previous year. In both cases, I will receive the two yearly newsletters in French (please let us know if you prefer the printed or electronic format).
